

GROUP MEDICAL

Your practice is responsible for managing the care of patients. As insurance professionals, TGA is responsible for helping to manage your risk. We do that by working with top carriers to provide you with the extensive and important medical coverage options that you need.

Together with the Pennsylvania Medical Society (PAMED), we offer:

- Level-funded, Self-funded and Fully-insured Medical & Prescription Drug coverage
- Level-funded products available using traditional PPO networks or a new Reference Based Pricing (RBP) model (RBP often offers clients 10% or greater savings rates)
- Products through all major carriers in PA
- Human Resource Information System (HRIS) tool designed to help you manage benefits, enrollment, onboarding and compliance simply and efficiently

You've dedicated your life to caring for others.
We've dedicated ours to caring for *you*.
